

MISSION INCREASE  
RALEIGH

# CHAMPION

(noun): one who has given a minute of time or a dollar to further an organization's mission

YOU are a Mission Increase Raleigh Champion. Thank you!

December 2016

Dear Champion,

At Mission Increase Raleigh (MIR) we believe in expanding nonprofit ministries' Kingdom impact. With that goal in mind, a Task Force of 16 committed champions graciously donated more than 350 hours of their time over the course of 15 months wrestling with the question, "What would MIR look like at its best?" The result served as affirmation that the work we do with local ministries is good, but could be strengthened through the following

## FOUR RECOMMENDATIONS:

- 1 Define the core competencies which reflect a healthy Christian nonprofit.
- 2 Align the MIR curriculum to these competencies.
- 3 Create an objective assessment tool to help champions and ministries assess where they are in their proficiency with each competency.
- 4 Engage the Raleigh Christian community in MIR's work.

These recommendations were enthusiastically adopted by our Board, and Task Force members along with additional champions are now working to implement them.

Throughout its work, the Task Force has recognized that expanding the impact of MIR will require additional resources. *To that end, the Task Force has generously invested \$100,000 in a match to support the implementation of their recommendations.* We now turn to you, our champions, to match this investment.

Please prayerfully consider helping maximize this grant to fuel MIR's investment in ministries' Kingdom impact. All funds given by December 31, 2016 will count towards the match.

We hope you'll join us in sharing your appreciation for our Task Force by financially supporting their hard work and recommendations.

With gratitude,

Jim Dotson  
Executive Director
